

London Scholars Payment and Withdrawal Policy 2026–2027

A. OVERVIEW:

Northeastern University's London Scholars program (Program) provides first-year students with integrated academic experiences outside the classroom in an international location – Northeastern University London.

Planning and commitments are required of the Program on your behalf to support your participation in the program. The Program requires advance financial commitments to travel agents, vendors, and the Global Network campus to secure items such as, but not limited to, housing, classroom space, and co-curricular activities.
